

LORENZO CROSTA, med vet, PhD

PUBLICATION LIST

Articoli su Riviste Scientifiche:

1. **CROSTA L:** Uccelli e inquinamento da petrolio e derivati (*Birds and Oil Pullution*). Obiettivi e Documenti Veterinari XIII (12):27-32, 1992.
2. **CROSTA L:** Impianto di uno stent in teflon per la risoluzione di una iperinsufflazione cronica dei sacchi aerei in un'Amazzone farinosa (*Amazona farinosa*) - [*Teflon stent implantation in a Mealy Amazon (Amazona farinosa), for the resolution of a chronic airsacs hyper-insufflation*] Veterinaria 10 (4): 115-120, 1996.
3. **CROSTA L:** La visita clinica del paziente aviare: principali punti di repere, contenimento manuale e farmacologico e dosaggio di alcuni farmaci di comune impiego (*Clinical Examination of the Avian Patient: Main Anatomical Sites, Manual and Pharmacological Handling and Commonly Used Drug Regimens*). Veterinaria 11 (2): 115-129, 1997.
4. **CROSTA L:** L'incannulamento dei sacchi aerei (*Air sac cannulation*). Exotic files (Official Journal of the Italian Society of Exotic Animal Veterinarians) 1(3): 9-10, 2000.
5. **CROSTA L:** L'allevamento a mano degli psittacidi (*Hand rearing of psittacine birds*). Exotic files (Official Journal of the Italian Society of Exotic Animal Veterinarians) 2(3): 16-19, 2001.
6. **CROSTA L, BÜRKLE M, TIMOSSO L and KALETA EG:** Unilateral Pentadactyly in a Yellow-shouldered Amazon (*Amazona barbadensis*) J. Avian Med. Surg. 16(1): 26-30, 2002.
7. **CROSTA L, GERLACH H, BÜRKLE M and TIMOSSO L:** Endoscopic Testicular Biopsy Technique in Psittaciformes. J. Avian Med. Surg. 16(2), 106-110, 2002.
8. **BÜRKLE M, CROSTA L and GERLACH H:** Schilddrüsenveränderungen bei heranwachsenden Papageien- und Pinguinkücken (*Thyroid lesions in growing parrot- and penguin chicks*). Tierärztliche Praxis, 30 (K): 467-471, 2002.
9. **CROSTA L:** Alloplastic and Heteroplastic Beak Prosthesis in two *Ramphastidae*. J. Avian Med. Surg. 16(3), 218-222, 2002.
10. **CROSTA L, GERLACH H, BÜRKLE M and TIMOSSO L:** Physiology, diagnosis and diseases of the avian reproductive tract. Vet. Clin. North Am: Exotic Animal Practice 6 (2003), 57-83.
11. **CROSTA L, BÜRKLE M and TIMOSSO L:** Endoscopy-assisted Resolution of Egg Binding in an Emerald-collared Parakeet. Exotic DVM, vol. 6.1, 2004, pp. 19-22.
12. **RAUE R, JOHNE R, CROSTA L, BÜRKLE M, GERLACH H and MÜLLER H:** Nucleotide sequence analysis of a C1 gene fragment of psittacine beak and feather disease virus amplified by a real-time polymerase chain reaction indicates a possible existence of genotypes. Avian pathology (February 2004) 33(1), 41-50.
13. **CROSTA L:** A Journey to Brazil for the Spix's Macaw. AAV Newsletter & Clinical Forum – March-May, 2004. pp. 3-6.

14. **CROSTA L**, TIMOSSO L, BÜRKLE M and CECILIA TRÄGÅRDH: Sex determination in two Flamingo species by measurement of tarsometatarsus length. AAV Newsletter & Clinical Forum – March-May, 2004. pp. 19-20.
15. **CROSTA L** and TIMOSSO L: Two Tin Can Techniques for the Frugal Veterinarian. Exotic DVM, vol. 6.5, 2004, pp. 21-23.
16. **CROSTA L**, TIMOSSO L, BÜRKLE M and NEVES L: Tube feeding an anorectic shark. Exotic DVM, vol. 6.6, 2004, pp. 10-11.
17. **CROSTA L** and TIMOSSO L: La biopsia testicolare endoscopica negli uccelli (*Endoscopic testicular biopsy in birds*). Exotic files (Official Journal of the Italian Society of Exotic Animal Veterinarians) 5(3): 6-8, 2004.
18. STELZER G, **CROSTA L**, BÜRKLE M, and KRAUTWALD-JUNGHANN ME: Attempted semen collection using the massage technique and semen analysis in various psittacine species. J. Avian Med. Surg. 19(1), 7-13, 2005.
19. **CROSTA L**: Terapia medica e chirurgica di un ascesso a livello della commessura del becco in un ara giallo a blu (*Ara ararauna*). Terapia con fluorochinoloni n° 7, (febbraio 2007) Elsevier-Masson, Milano (italy), pp. 5-8.
20. ROSSI G, **CROSTA L**, and PESARO S: Parrot proventricular dilation disease Vet Rec. 2008 163: 310.

Presentazioni a Congressi Nazionali e Internazionali:

1. SIRONI G, **CROSTA L**, RAMPIN T - Studio elettronmicroscopico delle alterazioni tracheali in pulcini infettati con IBV (*Electronmicroscopic study of tracheal lesion in chicks experimentally infected with IBV*). Zootecnica International (Supplemento al n° 6, 1990) pp. 112-120. Atti del XXVIII Convegno della Società Italiana di Patologia Aviaria. Forlì, 1990.
2. **CROSTA L**: Oral treatment with Clindamycin in racing pigeons. Proc. of the 1st Conference of the European Committee of the Association of Avian Veterinarians. Vienna, Austria, 1991, pp 293-296.
3. **CROSTA L**, RAMPIN T, SIRONI G AND PASCUCCI S: Paramyxovirus serotype 3 infection in *Neophema* parakeets. Proc. of the 2nd Conference of the European Committee of the Association of Avian Veterinarians. Utrecht, The Netherland, 1993, pp 269-274.
4. **CROSTA L**, SIRONI G AND RAMPIN T: An Outbreak of Avian Pox in *Neophema* parakeets. Proc. of the 3rd Conference of the European Committee of the Association of Avian Veterinarians. Jerusalem, Israel, 1995, pp 23-25.
5. **CROSTA L**: (Invited Speaker) Impiego dell'Endoscopia negli Uccelli (*Endoscopy applications in Birds*). Proc. of the 31^o Congresso di Aggiornamento Permanente dei Veterinari per Animali da Compagnia. Riccione, Italy, 1996, pp 71-81.
6. **CROSTA L**: SIRONI G AND RAMPIN T: Polyomavirus Infection in Fringillidae. Proc. of the 4th Conference of the European Committee of the Association of Avian Veterinarians. London, England, 1997, pp 128-131.
7. **CROSTA L**: (Invited Speaker) Le principali patologie e relative terapie dei Rapaci (*Main diseases of Birds of Prey and their treatment*). 1st SCIVAC Course on Exotic Animals: Part 2nd, Birds. Cremona, Italy, 1997.
8. **CROSTA L**: (Invited Speaker) Veterinary Problems of Ostriches in Italy. Proc. of the European Ostrich Association World Congress, Hengelo, The Netherlands, 1997.
9. **CROSTA L**: (Invited Speaker) Emergency Care of Pet Birds. Proc. of the 4th European FECAVA/SCIVAC Congress. Bologna, Italy, 1998, pp 151-153.
10. **CROSTA L**: Alloplastic Beak Prosthesis in an Aracari (*Pteroglossus aracaris*). Proc. of the 5th Conference of the European Committee of the Association of Avian Veterinarians. Pisa, Italy, 1999, pp 43-46.
11. MELILLO A, CARUBBI G, **CROSTA L** and CAPITELLI R: A study on the microbial population of the cloaca of some Turdidae species, both in free ranging and captive birds. Proc. of the 5th Conference of the European Committee of the Association of Avian Veterinarians. Pisa, Italy, 1999, pp 96-97.
12. CARUBBI G, **CROSTA L**, CAPITELLI R and MELILLO A: Assessment of some haematology and blood chemistry parameters in the Blackbird (*Turdus merula*), Common thrush (*Turdus philomelos*), Redwing (*Turdus iliacus*) and Fieldfare (*Turdus pilaris*). Proc. of the 5th Conference of the European Committee of the Association of Avian Veterinarians. Pisa, Italy, 1999, pp 98-100.

13. CAPITELLI R and **CROSTA L**: A survey on a six years experience with avian haematology, biochemistry and microbiology. Proc. of the 5th Conference of the European Committee of the Association of Avian Veterinarians. Pisa, Italy, 1999, pp 122-125.
14. **CROSTA L**: (Invited Speaker) Endoscopia en Aves: Casos Clínicos. (*Avian Endoscopy: Clinical cases*). Proc. of the IX Congreso Internacional de la Sociedad Española de Cirugía Veterinaria. Las Palmas de Gran Canaria, Spain, 2000.
15. **CROSTA L**: (Invited Speaker) Ospedalizzazione del Paziente Aviario (*Nursing of the Avian Patient*). SIVAE/SCIVAC Course on Avian Medicine and Surgery. Cremona, Italy, 2000.
16. **CROSTA L**: (Invited Speaker) Radiologia negli Uccelli (*Radiology in Birds*). SIVAE/SCIVAC Course on Avian Medicine and Surgery. Cremona, Italy, 2000.
17. **CROSTA L**: (Invited Speaker) Patologie della Riproduzione e dell'Apparato Riproduttore (*Diseases of the Avian Reproductive Apparatus*). SIVAE/SCIVAC Course on Avian Medicine and Surgery. Cremona, Italy, 2000.
18. **CROSTA L**, BÜRKLE M, SCHULZ J & TIMOSSO L: A orthopedic shoe for a Kea (*Nestor notabilis*) with left foot paralysis. Poster presentation. 6th Conference of the European Committee of the Association of Avian Veterinarians. Munich, Germany, March 2001.
19. CAPITELLI R, BELLATI P, BÜRKLE M, **CROSTA L**, GIONGO PM, LUBELLI S: Evaluation of the baseline TT4 in avian plasma/sera, with fluorescence-polarization-immuno assay (FPIA). Preliminary investigations mainly in psittacines. Poster presentation. X WAVLD (World Association of Veterinary Laboratory Diagnosticians) International Symposium and OIE Seminar on Biotechnology. Salsomaggiore - Italy July 2001.
20. **CROSTA L**: (Invited Speaker) Alloplastic Beak Prosthesis in an Aracari. Proc. Int. Conf. on Exotics 2001, Ft. Lauderdale (FL)- Exotic DVM 3 (3), pp. 94 – 95, 2001.
21. **CROSTA L**: (Invited Speaker) A *Birkenstock* shoe for a paralyzed Kea. Proc. Int. Conf. on Exotics 2001, Ft. Lauderdale (FL)- Exotic DVM 3 (3), pp. 86 – 88, 2001.
22. **CROSTA L** & BÜRKLE M: (Invited Speaker) New Perspectives in Avicultural Medicine Including Testicular Biopsy. Proc. Int. Conf. on Exotics 2001, Ft. Lauderdale (FL)- Exotic DVM 3 (3), pp. 75 - 76, 2001.
23. **CROSTA L**, BÜRKLE M: (Invited Speaker) Nuevas Perspectivas en Medicina Aviar: Examinación "Multi-Step" de una Colección de Aves, Enfocada en la Selección de las Aves de Cría. Proc. AVAFES 1^a Congreso Nac. Estudiantes y Jóvenes Investigadores de Fauna Exótica y Salvaje. Las Palmas de Gran Canaria, 2001.
24. GERLACH H, **CROSTA L** & BÜRKLE M: Entwicklungsstörungen bei Küken Verschiedener Papageienarten (Disturbances of the Development in Various Parrot Chicks). Proc. Deutsche Veterinärmedizinische Gesellschaft e.V. XIII. Tagung der Fachgruppe "Geflügelkrankheiten", pp. 1 – 5, 2002.
25. BÜRKLE M, **CROSTA L** & GERLACH H: Schilddrüsenveränderungen bei Heranwachsenden Papageien- und Pinguinküken (Thyroid Lesions in Growing Parrot and Penguin Chicks). Proc. Deutsche Veterinärmedizinische Gesellschaft e.V. XIII. Tagung der Fachgruppe "Geflügelkrankheiten", pp. 6 – 12, 2002.

26. **CROSTA L**, BÜRKLE M: (Invited Speaker) Low Flock Performance: a logic approach to the selection of the breeding birds. Proceed. 39th Conference of the Israel Branch of the WPSA, Ashkelon, Israel, March 2002, pp. 70 – 72.
27. **CROSTA L**: (Invited Speaker) Avian Reproductive Disorders and Diseases of the Avian Reproductive Tract. Proceed. 39th Conference of the Israel Branch of the WPSA, Ashkelon, Israel, March 2002, pp. 73-74.
28. TIMOSSO L, **CROSTA L** and BÜRKLE M: Management and general medical issues of a mixed species penguin collection in closed environment. Proc. 3rd Conference of the European Association of Zoo and Wildlife Veterinarians. Heidelberg, Germany, May 2002.
29. LENNOX AM, **CROSTA L** and BUERKLE M: The Effects of Isoflurane Anesthesia on Gastrointestinal Transit Time. Proceed. 23rd AAV Annual Conference. Monterey, CA, 2002, pp. 53 - 55.
30. CLUBB S, ZAIAS J, CRAY C and **CROSTA L**: Endoscopic Testicular Biopsies For Evaluation of Fertility in Psittacine Birds. Proceed. 23rd AAV Annual Conference. Monterey, CA, 2002, pp. 133 - 137.
31. **CROSTA L** and CLUBB S: State of the art in the evaluation of poor breeding success in psittacine birds. Proceed. 5th International Parrot Convention. Loro Parque, Tenerife, Spain, 2002, pp. 21-24.
32. **CROSTA L**: Rescuing two stranded Hooded seal puppies. Proceed. 31st annual Symposium of the European Association for Aquatic Mammals (EAAM). 14-17 March, 2003, Loro Parque, Tenerife, Spain.
33. **CROSTA L**: (Invited Speaker) Endoscopia en las Aves (*Endoscopy in Birds*). Proceed. XII Intern. Conference if the SECIVE (Spanish Society of Veterinary Surgery). León, Spain, March 21-23, 2003, pp. 436-446.
34. **CROSTA L**: (Invited Speaker) Radiología en las Aves (*Radiology in Birds*). Proceed. XII Intern. Conference if the SECIVE (Spanish Society of Veterinary Surgery). León, Spain, March 21-23, 2003, pp. 447-453.
35. VAN LOON M, JANSSENS JPG, **CROSTA L**, REINSCHMIDT M and WERQUIN G: Het belang van de verdunningsgraad van nectarvoeder en fruitverstrekking voor lori's (*The importance of the degree of dilution of nectar and fruit in the diet of the lories*). 28e Studiedag van Nederlandstalige Voedingsonderzoekers, Heverlee, 11 april 2003, pp.38-39
36. RAUE R, JOHNE R, **CROSTA L**, BÜRKLE M, GERLACH H and MÜLLER H: Sequence diversity in the genome of psittacine beak and feather disease virus present in various psittacine species. Proceed. 7^o European AAV Conf. Tenerife, Spain, April 22-26, 2003, pp. 64-71.
37. **CROSTA L**, BÜRKLE M, GERLACH H and TIMOSSO L: Testicular biopsy in psittacine birds: Technique and histological findings. Proceed. 7^o European AAV Conf. Tenerife, Spain, April 22-26, 2003, pp. 113-116.
38. TIMOSSO L, BÜRKLE M and **CROSTA L**: Medical and non-medical management of a mixed species penguin collection in a closed environment. Proceed. 7^o European AAV Conf. Tenerife, Spain, April 22-26, 2003, pp. 219-222.

39. BÜRKLE M, SILVEIRA VIERA L, DREISÖRNER CJ, TIMOSSO L, and **CROSTA L**: Electrophoresis in Psittaciformes – normal values and selected cases. Proceed. 7^o European AAV Conf. Tenerife, Spain, April 22-26, 2003, pp. 253-255.
40. CAPITELLI R, BELLATI P, BÜRKLE M, **CROSTA L** and LUBELLI S: Evaluation of the baseline TT4 in avian plasma with Fluorescence-Polarization-Immuno Assay (FPIA). Preliminary investigations in unstressed healthy and in suspected hypothyroid psittacines. Proceed. 7^o European AAV Conf. Tenerife, Spain, April 22-26, 2003, pp. 283-291.
41. **CROSTA L**, BÜRKLE M, and TIMOSSO L: (Invited Speaker) A Screening protocol to Select Breeding Birds Proceed. Annual Conference AAV Australian Committee, Sydney 2003, pp. 25 – 32.
42. **CROSTA L**, GERLACH H, BÜRKLE M, and TIMOSSO L: (Invited Speaker) Testicular Biopsy in Psittacine Birds: Technique and Histological Results. Proceed. Annual Conference AAV Australian Committee, Sydney 2003, pp. 33 - 37.
43. TIMOSSO L, BÜRKLE M and **CROSTA L**: Medical and Non-medical Management of a Mixed Species Penguin Collection in a Closed Environment. Proceed. Annual Conference AAV Australian Committee, Sydney 2003, pp. 39 - 42.
44. **CROSTA L**, BÜRKLE M, and TIMOSSO L: (Invited Speaker) Avian Neonatology and Pediatrics. Proceed. Annual Conference AAV Australian Committee, Sydney 2003, pp. 127 - 130.
45. **CROSTA L**, BÜRKLE M, and TIMOSSO L: (Invited Speaker) Hand Rearing Birds. Proceed. Annual Conference AAV Australian Committee, Sydney 2003, pp. 171 - 178.
46. **CROSTA L**: (Invited Speaker) Radiología en Medicina Aviar (*Radiology in Avian Medicine*). Proc. Curso AVAFES de Medicina y Cirugía Aviar (AVAFES Course on Avian Medicine and Surgery). Barcelona, Spain, 27-29 February 2004, pp. 56 – 60.
47. **CROSTA L**: (Invited Speaker) Endoscopia en Aves (*Avian endoscopy*). Proc. Curso AVAFES de Medicina y Cirugía Aviar (AVAFES Course on Avian Medicine and Surgery). Barcelona, Spain, 27-29 February 2004, pp. 109 - 115.
48. **CROSTA L**: (Invited Speaker) Endoscopia aviare (*Avian endoscopy*). Proc. 2^o Congresso Nazionale SIVSANC (Società Italiana Veterinaria Studio Animali Non Convenzionali) Turin, Italy, May 2004, pp. 21 – 29.
49. **CROSTA L**: (Invited Speaker) Radiologia aviare (*Avian radiology*). Proc. 2^o Congresso Nazionale SIVSANC (Società Italiana Veterinaria Studio Animali Non Convenzionali) Turin, Italy, May 2004, pp. 31 - 35.
50. **CROSTA L**, BÜRKLE M, and TIMOSSO L: (Invited Speaker) Neonatologia Aviare (*Avian neonatology*). Proc. 48th National SCIVAC Conference. Rimini, Italy, May 2004, pp. 119 - 121.
51. **CROSTA L**, BÜRKLE M, and TIMOSSO L: (Invited Speaker) Approccio alla selezione dei riproduttori nell'allevamento aviare (*The selection of breeding birds*) . Proc. 48th National SCIVAC Conference. Rimini, Italy, May 2004, pp. 122 – 124.

52. **CROSTA L:** (Invited Speaker) Manejo veterinario da colação do Loro Parque com foco na seleção de aves reprodutoras. Proc. VIII Congreso e XIII Encontro da Associação Brasileira de Veterinarios de Animais Selvagens – ABRAVAS. Jaboticabal (SP), Brazil, July 2004.
53. **CROSTA L** and TIMOSSSI L: (Invited Speaker) Physiology, diagnosis and diseases of the avian reproductive tract. Proc. EVSSAR – European School of Advanced Veterinary Studies 3º Course: Reproduction in Companion, Exotic and Laboratory Animals, “Recent Advances in Reproduction”. Milan, Italy, Sept. 2004, pp. 212 – 229.
54. **CROSTA L** and TIMOSSSI L: (Invited Speaker) A screening protocol to select breeding birds (or...how to get the best out of a bird collection). Proc. EVSSAR – European School of Advanced Veterinary Studies 3º Course: Reproduction in Companion, Exotic and Laboratory Animals, “Recent Advances in Reproduction”. Milan, Italy, Sept. 2004, pp. 230 – 233.
